This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

**Usage guidelines**

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

**About Google Book Search**

Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. AS AMENDED BY CHAP. 423, LAWS OF 1874
PASSED MAY 11, 1874

*The People of the State of New York, represented in Senate and Assembly, do enact as follows:*

SECTION 1. Cornelius R. Agnew, Horatio Allen, James W. Beekman, Henry W. Bellows, Francis B. Cutting, John A. Dix, Wolcott Gibbs, John C. Green, George Griswold, David Hoadley, Murray Hoffman, William J. Hoppin, Charles King, Charles H. Marshall, Willard Parker, George T. Strong, Jonathan Sturges, Otis D. body corporate, by the name of "The Union League Club," to be located in the city of New York, to promote, encourage, and sustain, by all proper means, absolute and unqualified loyalty to the Government of the United States; to discountenance and rebuke, by moral and social influences, all disloyalty to said Government, and every attempt against the integrity of the Nation; and, in furtherance of these objects, to establish and maintain a Library and a Gallery of Art and Military Trophies, especially devoted to the perpetuation and illustration of the patriotic services and sacrifices by which the existing struggle against rebellion has been characterized.

SEC. 2. Said corporation shall have power to make and adopt a constitution, by-laws, rules, and regulations for the admission, suspension, and expulsion of its members, and their government, the collection of fees and dues, the number and election of its officers, and to define their duties, and for the safe-keeping of its property, and from time to time to alter, modify, or change such constitution, by-laws, rules, and regulations. # BY-LAWS

## OF OFFICERS AND THEIR DUTIES

1. The officers of The Union League Club shall be a President, twelve Vice-Presidents, a Secretary, a Treasurer, and the members of the following Standing Committees: Executive Committee, Finance Committee, Committee on Admissions, Committee on Library and Publications, Committee on Art, Committee on Political Reform, and Auditing Committee; all of whom shall be elected by the members of the Club, at the annual meetings, and shall serve until their successors shall have been elected respectively, except so far as is otherwise provided by By-Law No. 17.

**Officers and their duties**

2. The Vice-Presidents shall be divided into three classes of four each. The annual election, to be held on the 14th day of January, 1892, shall be for twelve, who shall classify themselves by lot, four of whom to hold office for two years, and four to hold office for three years; and thereafter each annual election shall be for four to hold office for three years.

**Vice-Presidents, how elected**

3. The President, or, in his absence, the Vice-President senior in order of election, and present, shall preside at all meetings of the Club. In the absence of the President and all the Vice-Presidents, a presiding officer shall be chosen, without ballot, from the members of the Club. The President shall be, *ex officio*, a member of the Executive and other Standing Committees.

**Duties of President**

**Presiding officer in absence of President and Vice-Presidents**

4. The Secretary shall keep a record of the proceedings of the club and of the Executive Committee and the Committee on Admissions (of which committees he shall be, *ex officio*, a member), and of all matters of which a record shall be deemed advisable by the Club, or by said committees. The records of the Secretary, except those of the proceedings of the Committee on Admissions, shall at all reasonable times be open to the inspection of any member of the Club. It shall be the duty of the Secretary to notify members of their election, to keep a roll of the members of the Club, to issue notices for all meetings of the Club (with a brief mention of the business to be transacted when a special meeting is called), and to conduct the correspondence. He shall also be the keeper of the seal of the Club.

**Duties of Secretary**

5. The Treasurer shall collect, and, under the direction of the Executive Committee, disburse the funds. He shall keep the accounts of the Club in books belonging to it, which

**Duties of Treasurer**

shall be at all times open to the inspection of the Executive Committee: he shall report, in writing, at each monthly meeting of the Executive Committee, the balance of money on hand, and the outstanding obligations of the Club so far as practicable, and he shall make a full report, at the Annual Meeting of the Club, of the receipts and disbursements of the past year, with such suggestions as to the financial management of the Club as he may deem proper. He shall turn over to the Finance Committee at the end of each year all surplus and unappropriated moneys which remain in his hands after payment in full of the disbursements and expenses of each year.

In case of the death of the Treasurer the Executive Committee may appoint a Treasurer *pro tem.* to serve until the vacancy is filled by the Club. In the event of the disability of the Treasurer from any cause, the Executive Committee may appoint a Treasurer *pro tem.* to serve during such disability or until action is taken by the Club. He shall be, *ex officio* a member of the Executive Committee and Committee on Admissions.

**Secretary and Treasurer to employ clerical aid**

6. The Secretary and the Treasurer shall respectively have power, with the approval of the Executive Committee, to employ, at the expense of the Club, such clerical aid as may be necessary in the discharge of their duties.

7. The general affairs of the Club shall be man-

aged by the Executive Committee, consisting of fifteen members. The Executive Committee shall, subject in all respects (except as to expenditures) to such instructions and limitations as may be from time to time prescribed by the Club, exercise a general superintendence over the internal affairs of the Club; shall control and manage its property; and enforce the preservation of order and obedience to its rules. All appropriations of the funds of the Club, except as provided in the 16th By-Law, and all directions for the use of the Hall or Club-rooms for other than for Club purposes shall be made by the Executive Committee. It shall make all necessary purchases and contracts, but shall have no power to make the Club liable for any debt or debts to an amount exceeding one-half that which, at the time of contracting the same, shall be in the Treasurer's hands in cash, and not subject to prior liabilities, or which cannot in the opinion of the Committee be paid out of the income of the current year, and no expenditure exceeding one thousand dollars shall be made unless authorized at a meeting of the Committee by a two-thirds vote of the members present. At every annual meeting it shall report its proceedings, and may, at any time, recommend such measures as it may deem advisable. The Executive Committee shall appoint a House Committee of three members, and shall from time to time declare its duties,

**Duties of Executive Committee**

**Shall make all purchases and contracts**

**Shall appoint House Committee**

but such House Committee shall not incur any debt, or involve the Club in any expenditures of money for any purpose, other than the ordinary and usual running expenses of the house, without previous express authority from the Executive Committee, except to meet some extraordinary and imperative emergency. Whenever a special committee of the Club at large shall be appointed, a majority thereof shall be those not members of the Executive Committee. The Executive Committee is divided into three classes of five members each, and hereafter each annual election shall be for five members of said Committee, to hold office three years, to supply the place of the class retiring each year, and for such additional number, if any, as may be necessary to fill vacancies, to hold office during the remainder of the terms of the members whose places they fill.

**No member eligible for re-election on Executive Committee until, etc.**

No member of the Club who may have served on the Committee for three successive years shall, after the next annual election, be eligible again until at least one year after the expiration of his previous term of office.

No member shall be eligible for election to any office in the Club unless his name shall have been duly posted as a nominee, as provided in By-Law 18 (*as amended November 12, 1914*).

8. The Executive Committee shall meet at least once in each month for the transaction of business,

**Meetings of Executive Committee and number constituting a quorum**

and eight members thereof shall be a quorum, except during the months of June, July, August, September, and October, when five members shall constitute a quorum.

9. The Committee on Admissions shall consist of fifteen members, and shall be divided into three classes of five members each. The annual election to be held on the 13th day of January, 1887, shall be for fifteen members, five of whom to hold office for one year, five to hold office for two years, five to hold office for three years, and thereafter each annual election shall be for five members of said Committee, to hold office for three years. The names and residences of all persons proposed for admission, with the name and signature of the member proposing them, and of the members seconding them, and date of posting, shall be first posted in a conspicuous place in the Clubhouse, at least fifteen days. They shall then be referred to the Committee on Admissions, the proceedings of which Committee thereon shall be secret and confidential, *and no member of such Committee shall be questioned as to the actions of the Committee.* It shall be the duty of the Committee to make careful examination, and to consider all communications in reference to each individual proposed; it shall pass upon each name separately; but it shall not at any time pass upon any greater number of

The Committee shall fix its own place and time of meeting. At every monthly meeting the Committee shall report the names of such persons proposed as it recommends for admission; and the Club shall thereupon proceed to vote, by ballot, upon the names so recommended. Negative votes to the number of one-third of those cast shall exclude any person. Members shall be elected only at the regular monthly meeting, but any non-resident member may at any time be classed as a resident member by signifying his intention to that effect to the Treasurer, and paying a further admission fee of one hundred and fifty dollars, and he shall henceforth pay the full annual dues.

No candidate shall be again proposed for one year except, etc.

11. No candidate who shall have failed to be elected by the Club shall be again proposed for one year, except upon the recommendation of the Executive Committee, such recommendation to be posted at least two weeks prior to a monthly meeting.

When candidate shall be deemed to have declined election

If any person elected shall not, within thirty days after notice of his election, left at or sent to his address, as specified by the member proposing him, signify his acceptance and pay his admission fee and annual dues, he shall be deemed to have declined to become a member.

Committee on Library and Publications, how classified and its duties

12. The Committee on Library and Publications shall consist of nine members, and shall be divided into three classes of three members each. The annual election to be held on the 14th day of January, 1892, shall be for nine members, three of whom to hold office for one year, three to hold office for two years, and three to hold office for three years; and thereafter each annual election shall be for three members of said Committee to hold office for three years, to

supply the place of the class retiring each year, and for such additional number, if any, as may be necessary to fill vacancies, to hold office during the remainder of the terms of the members whose places they fill. **Duties of the Committee on Art**

13. The Committee on Art shall consist of seven members. It shall be the duty of the Committee to expend such sums as shall be appropriated by the Executive Committee, or obtained by voluntary subscription, for procuring works of art and relics, and to make all proper efforts to enlarge and display the collection; and to procure and display in the Club-house from time to time loan collections of works of art.

**Duties of Auditing Committee**

14. The Auditing Committee shall consist of three members, two of whom shall be a quorum. The duty of the Auditing Committee shall be to audit and settle the accounts of the Treasurer and Finance Committee, and to present its report thereof at each annual meeting.

**Duties of the Committee on Political Reform**

15. The Committee on Political Reform shall consist of thirteen members, and shall have general charge of all matters coming under the Fourth Article of the Association, with authority to expend such sums of money

as shall be appropriated to it by the Executive Committee or obtained by voluntary subscription.

16. The Finance Committee shall consist of five members, none of whom shall at the time of their election be members of the Executive Committee. They shall be elected by the Club by ballot at a regular meeting thereof, and only upon the nomination of the Executive Committee, which nomination shall be made at a regular meeting previous to that at which such election takes place.

**Finance Committee shall be elected only upon the nomination of the Executive Committee**

The members of said Committee shall hold their offices until death, resignation, or removal for cause, and every vacancy occurring in the said Committee shall be filled by the Club, on the nomination of the Executive Committee, in the same manner and under the same restrictions as hereinbefore provided.

**Vacancies occurring in Finance Committee**

The Treasurer shall pay over to the said Committee at the end of each year all surplus and unappropriated moneys which remain in his hands after payment in full of the disbursements and expenses of each year.

**Treasurer shall pay over to Finance Committee**

thority is conferred upon the said Finance Committee to collect and receive such income, interests, and profits, and from time to time dispose of the said securities for the purposes aforesaid, and which shall continue to be invested as a reserve fund, until the further resolution of the Club, in relation thereto, adopted on the recommendation of the Executive Committee and upon the same notice and by the same vote which is required for an amendment of these By-Laws.

**Authority to collect and receive**

The Secretary of the Club shall be the Secretary of the Finance Committee.

17. Any officer may be removed for cause, at any meeting of the Club, upon two weeks' notice, and any vacancy in any office may be filled for the residue of the term by the Club, at any meeting thereof, except as herein otherwise provided.

**Any officer may be removed for cause**

Neglect on the part of any member of a Standing or Special Committee to attend three consecutive meetings of such Committee shall be deemed a tender of his resignation of his office, which the Committee may accept, unless an explanation of such neglect, satisfactory to the Committee, shall be given.

**Neglect of member of Standing or Special Committee to attend meetings**

Every Standing Committee, except the Finance Committee, shall have power to fill any vacancy in its membership until the next annual election, which shall be more than ten days after the vacancy occurs.

**Committees having power to fill vacancies**

OF MEETINGS

18. The annual meeting of the Club shall be held on the second Thursday of January, for the election of officers and the transaction of such other business as may come before it.

Annual meeting of the Club

The general meeting shall be held at half-past eight o'clock P. M., but the polls for the election shall be opened at half-past six o'clock P. M., and they shall remain open for three hours (*as amended February 14, 1918*).

At the monthly meeting in December in each year, a committee of seven shall be chosen by the Club at large, who shall select and post in a conspicuous place in the Club-house, at least ten days before the annual meeting, the name of a candidate for each office to be filled at the ensuing election. Any twenty-five members of the Club may propose seven names for the Nominating Committee. Such proposal shall be in writing, delivered to the Secretary, and posted at least twenty days before the December meeting. No member shall unite in the proposal of more than seven names for such Committee. At least ten days before the December meeting, the Secretary shall mail to each member of the Club a printed list of all the names so proposed. At the December meeting the Club shall elect such Committee by ballot. Each member present may vote by ballot for not exceeding seven persons on such list by

erasing the names of the others, if any, with ink or pencil, and depositing the list as a ballot for the names not marked. The seven members upon such list receiving the highest number of votes shall be the Nominating Committee. At the same meeting six inspectors and canvassers of the ensuing election shall be elected in such manner as shall then be determined, any three of whom shall be a quorum, and if vacancies shall occur, they may be filled at or before the election by the Executive Committee.

**Cushing's Manual shall govern meetings of Club**

The rules and orders of Cushing's Manual shall govern the meetings of the Club, so far as they are applicable and not inconsistent with these By-Laws.

One hundred members shall be a quorum at all meetings of the Club.

Any twenty-five members may unite in making independent nominations for any offices to be filled at the annual election of the Club; such nominations shall be in writing and posted by the Secretary at least five days before the annual meeting (*as amended November 12, 1914*).

who sustain the same to rise; and if twenty-five members shall rise in support of such objection, then such resolution, and subject to the proposed action, shall be referred to a Standing or Special Committee, who shall report thereon at the next meeting of the Club. And upon the coming in of such report, the same, and the resolutions, and the subject referred to, shall be deemed before the Club for discussion and action thereon, without further right of such objection.

The Secretary shall furnish to the inspectors of elections, prior to the annual meeting, an alphabetical list of all members entitled to vote for officers at the ensuing election. The Secretary shall see that all By-Laws regulating the elections of the Club are published at least once, as required by statute, and the inspectors of the election shall, before acting, take the oath also required by statute.

will meet to consider the same, by mailing the same to him at his latest address as it appears on the books of the Club. At such meeting the member under charges shall have a right to be present and to examine and cross-examine witnesses, within such limits as may be determined by the Committee, and the Committee shall proceed to take such proof as may be offered; and if it be of the opinion that the charges made, or any of them, are sustained, and the nature of the offence in its opinion requires it, may suspend him from the privileges of the Club for a period not exceeding six months, or request him to resign.

**Should request to resign be disregarded**

29. Should such request be disregarded, the Executive Committee shall refer the matter to the next stated meeting of the Club, or to a special meeting thereof, of which reference not less than two weeks' written notice shall be given to the offending member.

The admission fee of members elected hereafter shall be three hundred dollars. The fiscal year shall commence on the second Thursday of January. The annual dues of resident members shall be one hundred and twenty-five dollars, and the annual dues of non-resident members shall be seventy-five dollars, payable annually or semi-annually in advance, on the second Thursdays of January and July, beginning on the second Thursday of January, 1918. If not paid within thirty days thereafter, respectively, the name of the delinquent shall be posted by the Treasurer in a conspicuous place in the Club-house; and should he neglect payment, without good cause, until the first day of March, or in the case of semi-annual payment, the first day of September, or shall fail to pay his house charges for ninety days after being posted, he shall thereupon cease to be a member. Provided, That upon his written application, and the payment of all dues and house charges to the date thereof, the Executive Committee may, upon such terms as it may deem proper, remit the penalty of this By-Law; of all which the Secretary shall make a minute. **Officers of Army and Navy, when exempt from annual dues**

Officers of the Army and Navy may, on giving notice to the Treasurer, be discharged from liability for dues when absent from the city for one or more years on official service, and in the event of such officer of the Army or Navy visiting New York *under orders* he shall not be liable for payment of dues by reason thereof.

The privileges of the Club shall not be extended to the same person, either resident or non-resident, by the same or any other member, more than once in each calendar month, except to the reception-room, private dining-rooms, and, on exhibition days, to the art gallery, unless written application shall have been made to the House Committee and its consent obtained.

Any member may, upon written application to the House Committee and with its consent in writing, introduce at any time one or more non-resident guests to the privileges of the Club each for a period not exceeding two weeks, but the same non-resident guest shall not be granted such privileges again until he shall have been absent from the city for at least three months. Only such number of guests, however, shall be introduced under this By-Law as the House Committee may in its discretion determine, and the Executive Committee shall have the power to revoke any privilege so extended.

The remaining rooms may be assigned to members by the Executive
